

Over 125 Grayling Kiwanians, their wives and guests as well as Kiwanians from Houghton Lake and Gaylord attended the regular meeting of the Kiwanis Club of Grayling held at the AuSable River Inn on Monday evening.

Following a family style chicken dinner, Grayling Kiwanis Club president, Don Gothro, introduced the speaker of the evening, Michigan's Secretary of State Owen J. "Pat" Cleary.

Secretary of State Cleary spoke on the seeming repetition of history on the part of America following World War I and World War II. Following the first world conflict, Secretary Cleary said, America started a program of disarmament and demobilized the services only to see National Socialism and Fascism grow in Germany and Italy. In the same way following the second world wide war, America wanted her boys in service back home and for a short time we more or less sat back. In this time, Russia and Communism moved out over Europe and Asia.

The Secretary of State recalled his many trips to Grayling with the Michigan National Guard starting in 1920 and continuing until about 1947. He told the more than 125 persons gathered at the meeting that government had grown big because first the states and then even communities began to look to government for aid in every project.

"We should be extremely careful if we wish to protect and insure the future of our American heritage," Cleary stated, "demands from states or communities result in commissions, some of which have sole power as executive, legislative and judicial. This is government by bureau and certainly not American in any way."

Cleary injected humor into his talk when he told of a young school child visiting the Capitol in Lansing upon learning that the Secretary of State is the holder of the Great Seal of Michigan, the child wanted to know if it would bounce a ball on its nose.

Following a short intermission after Secretary Cleary's talk, the evening program was finished with dancing.

Grayling Hi Students Entertain With Tea

Friday, May 22, the Home Economics girls of Grayling High School under the supervision of Miss Wanda Mikrut, teacher, gave a tea for their respective mothers, the faculty and a few guests. The tea was held from 3:30 to 5:30 p. m.

The girls from the several home economics classes spent a considerable amount of time and effort preparing for the affair. Plans and announcements were taken care of in advance.

A large table was covered with an ecru lace cloth. In the center was a yellow bowl containing narcissus and tulips, surrounded by candles. Arranged conveniently around the edges were cups, silver and attractive looking food stuffs.

Between 25 and 30 mothers attended the tea besides the faculty and guests.

Week end guests of Mrs. C. R. Brown were her son Earl and family of Milwaukee, Wis.

Legion Post 106 Plans Parade To Observe Memorial Day

Grayling Post No. 106 American Legion have their plans about completed for the observance of Memorial Day. Saturday, George Quinn is in charge of arrangements and has invited representatives of the following industries to join them in the line of march: Atlas, Plywood, Bear Archery and Cadillac Overall Supply. Of course there will be the High School band, Boy Scouts of Grayling, Girl Scouts of Frederic and the pupils from both Grayling Public and St. Mary's Schools. The Red Cross will be represented also and members of the Grayling Post No. 106 and all other

veterans, and the Auxiliary.

It is expected that Rev. R. C. Puffer will officiate at the services at the river, while Fr. John Breitenstein will be the speaker at the services at the cemetery. The procession will leave the Legion Hall at 10 o'clock sharp and the line of march will proceed first to the park, near the US27 bridge and from there along US27 to the cemetery. For those who are unable to walk there will be cars provided.

Townpeople are asked to please display their flags on Memorial Day.

County Receives \$2,375 Polio Fund

A March of Dimes check for \$2,375.00 has been received by the County Chapter of the National Foundation for Infantile Paralysis to help provide care for polio patients here. It was announced by John H. Peterson, chapter chairman.

Mr. Peterson explained that when March of Dimes funds are raised each January, half of the total amount remains with the local chapter and half is sent to National Headquarters to finance scientific research, professional and public education and to provide emergency aid such as that just received.

Although the once-impregnable barriers surrounding polio are toppling one by one before scientific attack, the chairman declared, the tide of polio continues to rise higher across the Nation, leaving ever-increasing burdens on the chapters of the National Foundation.

"We have in Crawford County," said Mr. Peterson, "a clear example of how a polio outbreak can quickly exhaust the resources of a chapter. In the 1953 March of Dimes we raised \$2,340.19. By February 28, 1953, this was all gone and we had to appeal for emergency aid from National Headquarters."

"Once more the nation is confronted by a serious polio problem. During the first six months of 1952, incidence was higher than during the comparable periods of 1949 and 1950, the worst polio years on record."

The Crawford County Chapter at present is providing funds, in whole or in part, for the care of six patients stricken in previous years.

Officers for the coming year are to be elected and the summer program discussed with tentative plans for a pot luck on Sunday, June 7.

All golf club members are eligible to join the auxiliary and are urged to do so.

Council Warns Dog Owners

On other pages in this edition, the Grayling City Council in a paid advertisement issued a warning to dog owners in and around Grayling.

The Grayling City Council says that they have received many more complaints from residents this spring than ever before on the nuisance of dogs running at large and destroying property.

The Council points out that under the State Law, City Police, man or men of the Sheriff's Department may shoot dogs if found unlicensed after June 1 of each year. The State Law also provides that dogs be confined from sunset each day until sunrise the next day or if out, must be on a proper leash to be under the owner's control.

Six other reasons are cited from the State Law for the killing of a dog. They are: A dog that destroys property, if it attacks or bites a person, shows vicious habits and molests people on the public highway, running at large contrary to the law, pursues, worries or wounds livestock, chasing deer.

The Council asks for the cooperation of dog owners and points out that it can not ignore complaints where damage is done. The law will protect the officers in the performance of their duty, the Council directive concludes.

Mother-Daughter Banquet Enjoyed in Lovells

The Mother and Daughter banquet held at Lovells Thursday evening, May 21, at the Ladies Club rooms was a complete success in every respect. There was an attendance of 52.

Besides many mothers being present with their daughters, there were also one set of four generations and four groups of three generations. Mrs. C. Stillwagon, Mrs. Ruth Caid, Mrs. Margie Harwood and Cindy Ruth made the four generations. The three generations were represented by the Spaulding, Koernke, Kurochenko and T. Morris families.

The decorating committee did a very fine job and the hall looked very nice. The tables were prettily decorated with lilacs, pansies and potted chrysanthemums and at each place were tiny cups of salted nuts and candies.

The menu which included, tomato juice, relishes, scalloped potatoes and ham, peas, cabbage salad, rolls, coffee and milk and ice cream roll was well prepared. The husbands did the serving.

The program was excellently handled and was as follows: Toastmistress, Mrs. Harold Johnson; Invocation, Mrs. Robert Steeking; Group Singing; Toast to Mothers, Kathleen Morris; Chorus, Janet Johnson, Susan Koernke, Judy Kimball, Patricia Spaulding; Toast to Daughters, Mrs. Ruth Caid; Song, Gale Gauthier; Accordion Solo, Barbara Johnson; Solo, Mrs. Wm. Spaulding; Toast to Grandmothers, Mrs. Fred Koernke; Reading, Mrs. Clarence Stillwagon; Group Singing and Benediction, Mrs. Peder Olsen.

Due to the absence of Mrs. Steeking and Mrs. Olsen, Rev. Hazzard kindly filled in their places.

A potted plant was presented to Mrs. Anna Clark, age 90 years, the oldest mother present; also to the oldest mother present with her daughter, Mrs. Maude Carroll and her daughter, Mrs. Frank Wood; to the youngest mother, Mrs. Kenneth Morris and eight month old daughter, Penny Lynn, and to the mother of the most children, Mrs. Bessie Kellogg.

The youngest daughter present was little Cindy Ruth Harwood. The whole affair was so lovely that the ladies hope to make it an annual affair. They wish to thank all who helped make it so.

School Plans Pre-Kindergarten Enrollment

Friday, May 20 has been set aside for parents to enroll beginning students in the Kindergarten for the fall of 1953.

Parents who have children who will be 5 years old by Nov. 1, 1953 are asked to bring them to the High School between the hours of 9 and 12 and 1 and 4 where Mrs. Smyth will be waiting on Friday, May 28.

Health records and any other information that will aid the school in helping the beginning pupils should be brought as such information is made part of the students accumulative school record.

St. Mary's Team Wins Little League

The 5th and 6th grade league closed out last week with the Wildcats of St. Mary's School winning high honors. The Wildcats posted a 5 won, 1 loss record for a percentage of .833. The Bobcats, Polecats and Alleycats, all entries from the Grayling School finished in that order, posting records of 3 and 3 for 500 percent; 2 and 4 for 333 percent for both last named teams.

Games were to be played for five innings and some had to be called off due to late starts and the large scores. As a rule, most games were close and about half of them went into extra innings.

Leading hitters in the league were:

Name	A	B	H	Pct.

Viking Seniors Begin Final Events With Baccalaureate Service

Central Michigan's Smith Commencement Speaker

Thirty Grayling High Seniors, the class of 1953, will begin their final events of their High School career with Baccalaureate Service at the Michelson Memorial Church on Sunday evening, May 31, at 8 p. m.

The Baccalaureate Service will begin with the Processional, "O Beautiful For Spacious Skies" with Miss Joanne Andrews at the organ. Rev. H. M. Luter will give the Invocation with a Scripture Reading to follow. The Grayling

Men Bowlers Hold Banquet

Members of the Grayling Men's Bowling League held their annual banquet at the AuSable River Inn last Thursday night. Following a sumptuous family-style chicken dinner, the meeting was opened by League President Harold Jarmin.

A financial report was given by Secretary - Treasurer Al Cherven after which he passed out the prizes. Those receiving extra prizes above their team awards were: Mel Luckstead for the high single game of the year, a 264. Al Cherven for high three game series, a 629. High team single game was 866 by the United Drillers.

High three game series for team was 2638 by Budweiser. Team high single game with handicap was a 955 by Pure Oil and high three game series with handicap was Budweiser with 2636. No team could even beat this score with the added handicap. Al Cherven took the league high average prize with 177.23. Clarence Roberts was the league's most improved bowler and received a coveted ABC award. He improved his average by 13.47 pins while Dick Miller was second improving his average by 12.79 pins.

Davis Jewelry were handed the league's crown as they won the first half and then defeated the United Drillers winners of the second half in a six game roll off by 107 pins. Willard Cornell led the bowlers to victory with 609 series for the first three games and 502 in the second series of three games.

The Commencement address will follow. Selected as this year's graduation speaker is Woodward C. Smith, director of the division of field services of Central Michigan College at Mt. Pleasant. Mr. Smith has selected as his subject, "Home Town."

Presentation of the diplomas by Superintendent of Schools Frank L. Bond will follow on the program. The program will end with a Benediction to be given by Father Breitenstein.

Scholastic competition in the class has been very keen with ties for several places in class rank being common. Honor students will average 80 or better since the 9th grade year. Cora Ann LaGrow, Sally Bishaw, Ellen Watkins, Beverly Wolf, Jean Lovely, Pearl Leverton, Delbert Joslyn and James Burch.

Pictured above is Miss Marjorie Nelson, who received her Bachelor of Science degree in Commerce at the Ferris Institute commencement exercises held in Big Rapids, Mich., Monday evening. Marjorie is the daughter of A. J. Nelson of this city, graduated from Grayling High School in 1949 and was valedictorian of her class.

Michelson Memorial Church School

Lynn Pasture was a visitor in the Nursery Class, and Shirley Horning and Gail Diana Hunter were registered as new members Sunday. Jimmy and Susan Leonard, Karen Sue Slagle and Charles Walker were visitors in the Kindergarten Department. Kinder Rowland and Danny King, both recent victims of serious illness, were back in their classes. These two departments joined forces in the large assembly room after the Juniors and Intermediates had gone out to class, to rehearse their songs for Children's Bazaar which all 45 were quipped down—more or less—while Mrs. Carl Johnson superintendent of the department, told the morning story and taught the verse for the day.

Mrs. Johnson was assisted by her guest, Miss Virginia May Olson of Chicago, Ill., who taught a new motion song and Miss Sylvia Robertson, department secretary, who played several chime selections familiar to the children. Then the little people were returned to their own rooms for dismissal leaving the main room for the closing exercises of the Juniors and Intermediates.

There seemed to be more substitutes than regular teachers Sunday, with Martha Stillwagon assisting Miss Frances May in the Nursery, Margaret Moore teaching second grade, Nancy Hutton and Lila Bunker sharing the teacher's task in the fourth grade, Patty Thompson handling the seventh, and the eighth grade visiting the ninth. Mrs. Jean Trudeau spent the hour in the office receiving instruction from Mrs. Tom Haugh, in preparation for acting as general secretary for the Daily Vacation Bible School which will be held from June 8 through June 19. As in the past, this is a joint endeavor with the Lutheran Church, and will provide classes for all children from Nursery (age 3) through the sixth grade.

Robert Neffie reports the sale of the Norman Vallad home on the corner of Spruce and Ottawa Streets to Mr. and Mrs. Robert Meaker.

Glee Club under the direction of Mrs. Roy O. Mines will then offer a number to be followed by the main address by Rev. R. C. Puffer. Rev. Puffer has picked as his subject, "The Next Fifty Years".

Rev. Luter will pronounce the Benediction. The Recessional will be "Lead On, O King Eternal."

The Class Night Program has been set for Tuesday evening, June 2 at the Grayling High School. The Processional will be played by Miss Joanne Andrews at the piano. The President's Address and Salutatory will be given by Miss Lu Ellen Watkins. The Class History will follow, narrated by Beverly Wolf. The Grayling Glee Club will offer "A Celtic Lullaby." Clyde Weiss and Robert Luter will offer the Class Prophecy while the Class Poem will be given by Pearl Leverton. Derek McEvers and Ted Davenport will offer the Class Will with Jean Lovely and Jerimae Harwood following with the Gita-tory.

The Glee Club will then offer their second selection, "Some-where a Child is Singing." The Valedictory will then be given by Cora Ann LaGrow. The Recessional will end the Class Night Program. Co-Salutatorian is Beverly Wolf and Co - Valedictorian is Sally Bishaw.

The big night for the thirty Viking seniors is Wednesday night, June 3 when the diploma marking the completion of 12 years of schooling will mark their actual graduation. The program is slated to get underway at 8 p. m. with a Processional followed by the Invocation from Father John A. Breitenstein. The Glee Club will offer a selection "A Graduation Prayer."

The Commencement address will follow. Selected as this year's graduation speaker is Woodward C. Smith, director of the division of field services of Central Michigan College at Mt. Pleasant. Mr. Smith has selected as his subject, "Home Town."

Plan Grass Day, June 24

Farmers of Crawford county who never attended a Grass Day, and farmers who have enjoyed Grass Days the past six years, cannot afford to miss the program in Kalkaska county on Wednesday, June 24th.

In either case, it may be their last chance to enjoy one of these well-attended Grass Days and pick up valuable grassland farming tips.

More than 100,000 Michigan farmers have attended Grass Days the past six years in many locations and benefitted from programs presented by Michigan State College Grass Day Committee members, county agents and local farmers. The programs have built so much interest in grassland farming, better forage, better silage and better soil that seasonal-long and other new-type pasture improvement practices are being set up. That's why this may be the last Grass Day in this area, explains the county agent.

County agricultural agent, O. F. Walker, is extending invitations to farmers of counties in this area to attend the 53 Grass Day "Graduation" program. It will start at 9:30 a. m., Wednesday, June 24th, at the Jenkins Brothers farm located three (3) miles south of Kalkaska on 66 and two (2) miles East.

From 9:30 a. m. until noon, farm visitors will take conducted tours to see the various demonstration areas, exhibits and machinery. Plans for Grass Day started last year with seedlings of forage crops on the host farms and these crops will be used in demonstrations of the best handling methods. Crop production, harvest and feeding—as well as soil conservation—will be observed and discussed by specialists and local farmers.

Do you remember?

"The Disabled American Veterans ask that you remember them and their needs as one observance of Memorial Day."

When danger threatens from without . . . and war has been declared . . . we hear a great deal said about . . . our being unprepared . . . but from the town, the countryside . . . the mountain and the plain . . . young men have come, have marched and died . . . and saved us once again.

Men we have never seen or known . . . have fought for you and me . . . wherever freedom's flag has flown . . . upon the land or sea . . . and yet are unremembered for . . . the victories they won.

Though monuments of bronze or stone . . . recount his stirring deeds . . . the glowing words, and words alone . . . will not supply his needs . . . but all too often we forget . . . the sacrifice he made . . . and that, to him, we owe a debt . . . that often goes unpaid.

Whether in verse or deathless prose . . . our slogan ought to be . . . "I'll do a little bit for those . . . who did so much for me."

"Property Is The Fruit of Labor"

Every left-winger is adept in catching phrases. One standard example is the cry that "human rights" must be superior to "property rights."

This appeal to the unthinking evades the fact that the right to own property is one of the most basic and important of the human rights. That idea was powerfully expressed by Abraham Lincoln, as great a humanitarian as ever lived, in these words: "Property is the fruit of labor; labor is desirable; it is a positive good in the world. That some should be rich shows that others may become rich, and hence is just encouragement to industry and enterprise. Let not him who is houseless pull down the house of another, but let him work diligently and build one for himself, thus by example assuring that his own shall be safe from violence when built."

YOU'VE BEEN WORKING FOR GOVERNMENT!

Whom did you work for during the first four months of this year?

You'll say that you worked for yourself, or for some business or other. But, in a very real sense, you worked for government! The nation's total 1953 tax bill will be as much as the wages, rents, interest and dividends received by all of us during the January 1 to April 22 period!

Read that again—and then decide whether economical government and eventual tax reduction are in your personal interest.

THE ALL IMPORTANT QUESTION

Professor Leo Wolman of Columbia University recently said: "If we are to aim for peace and constructive relations between employees and business, we must first decide the goal of our public policy. Is it to protect the rights and liberties of the individual, or is it to use the prestige and force of government to enhance the power of organized labor?"

EMTA Plans Local
Membership Drive

For the first time in the history of its organization the East Michigan Tourist Association is conducting local membership campaigns to secure additional members throughout the area, according to Glenn MacDonald, of Bay City, president of the association. He stated that the association had reached the point of its growth where it no longer can depend entirely upon staff contacts in the field without substantially increasing its overhead. Although the membership support has doubled in the last ten years, increasing

COMING: "THE PROMISED LAND"

Across the narrow Straits of Mackinac lies a land of glorious natural beauty, abounding in scenic grandeur, reaching into the north and west for three hundred miles in a long and lovely peninsula. While it is part and parcel of Michigan Outdoors, many a lower peninsula resident has never looked upon the "land of Hiawatha" largely because of a single factor of resistance: lack of highway connections.

The narrow waters of the Straits must now be traversed by ferry—and while the boat trip is attractive to the tourist, the unavoidable delay is often annoying and discouraging to travel.

Now, with the promise of a bridge as the connecting link, the economic history of the upper peninsula is surely facing an abrupt upward swing. Travel for pleasure and commerce will increase by leaps and bounds with the completion of the long bridge sometime in 1956.

"Gold Rush" On The Way

New money will pour across the Straits. New resort property will find ready customers. The rocks and hills of the Porcupine Mountains will thrill the eyes of countless new visitors. The majesty of Tahquamenon's falls will inspire thousands of amateur photographers, and the rugged, incomparable beauties of Lake Superior's shore will add to the most memorable of all vacations.

But there's more—much more to be gained by the advent of this iron link across the Straits. Industry will eye the advantages of producing in the Upper Peninsula—and there are many. Employment will mushroom, and with the increase in payrolls buying power will rise. Business can look for boom years ahead.

Closer Unity Established

Politically the coming bridge will forge a link long needed to bring the two peninsulas in closer relationship. In close geographical contact with Wisconsin on the west, there are many residents of the upper peninsula who find it hard to believe that their capital city is Lansing so many, many miles and a boat ride away! The bridge will work both ways, and residents of the Keweenaw copper country will drive southward to see how "the other half" lives. Chances are they'll get homesick, too, for the way of life above the Straits is wholesome, healthful and satisfying the whole year 'round—with a big back yard of top attractions in Michigan Outdoors!

Mort Neff's "Michigan Outdoors" television show can be seen every Thursday over WJL-TV, Channel 4, in a thrilling full half-hour show—7:00 p.m. till 7:30 p.m. DON'T MISS IT!

Blue Cross-Blue Shield pay more... for more hospital and medical services... for more people!

ARE YOU PROTECTED?

ONE IN EVERY THREE FAMILIES FACES A HOSPITAL BILL WITHIN THE YEAR!

SICKNESS AND ACCIDENTS are never welcome visitors. Recovery is often a slow process. In many cases, recovery from expenses due to hospitalization and medical care is even slower!

Hospital costs are up!

Modern medical science is making tremendous strides in easing pain and speeding recovery. Many wonderful drugs and medical techniques have been introduced in just the last few years.

But, new drugs and new techniques are expensive. Inflation, too, has pushed hospital costs up. In the last 10 years, these costs have almost tripled. That's why Blue Cross - Blue Shield protection is more important than ever before!

In the 14 years since Michigan hospitals and doctors started these non-profit plans, Michigan Blue Cross-Blue Shield have paid out over 302 million dollars—in subscriber benefits. With nearly 3-million members Blue Cross - Blue Shield is Michigan's most widely used health-care protection.

Blue Cross covers hospital bills!

Blue Cross Comprehensive Group Hospital Plan covers a wide range of hospital services, for up to 120 days, at any one of over 95% of the general hospitals in Michigan (excepting Government hospitals).

Blue Shield covers doctor bills!

Blue Shield Medical-Surgical Plan pays generous amounts to your doctor for over 480 listed medical-surgical procedures. It pays toward your doctor's hospital visits in non-surgical cases.

Protection without problems!

There's no red tape with Blue Cross - Blue Shield. Simply show your identification card to your doctor and hospital admitting clerk. Benefits are taken care of automatically!

How to get

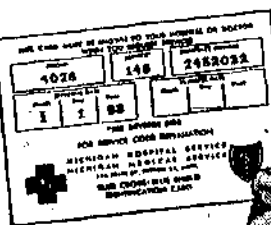

Blue Cross - Blue Shield:

No physical examination is necessary. Ask your employer. Check your Farm Bureau or Grange! Write or call your nearest Blue Cross - Blue Shield office.

P. T. A. Holds Installation

Wednesday night of last week marked the last meeting of the Parent-Teacher Association until Grayling schools re-open in September.

To welcome the incoming officers and those having served the past school year a potluck dinner was held in the Home Economic department for the officers, and this was much enjoyed.

At 8:00 the regular meeting opened and at this time the Glee Club of some 70 voices directed by Mrs. Milnes sang several numbers. A short business meeting followed, when Mrs. Dan C. Babbitt and Mrs. Mary Farmer gave very comprehensive reports of the P. T. A. state convention, which they had attended in April in Grand Rapids.

Installation of new officers took up the remainder of the evening. Mrs. Ernest Larson was installing officer, assisted by Mrs. J. L. Martin and Ernest Larson, and during the ceremonies Mrs. June Taylor sang "My Task."

Following are the new officers who will serve the next school year: President, Wayne Ewalt; vice president, Mrs. Alfred Sorenson; teacher vice-president, Mrs. Mary Farmer; secretary, Mrs. Erwin Wales; treasurer, Mrs. Dan C. Babbitt; historian, Mrs. Aubrey Blaine; parliamentarian, Arthur Allen.

The retiring president, Mrs. Russell A. Moshier was presented with a past presidents pin and a gift from the organization.

Our Gang

Mrs. Barton Wakeley was hostess to the club Thursday afternoon at the home of her daughter, Mrs. Devere Benware.

Sixteen members were present and a guest, Mrs. Cora Neal and house guest, Mrs. Benware. During the business session it was decided as we do every summer to only meet once each month from June through August.

The next meeting will be at the home of Mrs. Archie Kennedy in the afternoon, June 18. This is Mrs. Stephen's birthday.

The committee for refreshments will be Mrs. Wakeley and Mrs. Earl Broadbent. The June birthday cake will be furnished by Mrs. Theodore Visnaw.

Following the close of the business Mrs. Richard Lovely and Mrs. Wakeley each gave readings which were enjoyed.

Games were then played and those winning prizes were Mrs. Richard Lovely, Mrs. Kate Loskos, Mrs. Percy Budd and Mrs. Edna Greenwell.

Mrs. Greenwell received the penny prize. Incidentally Mrs. Lovely was celebrating her birthday on this day. Other birthdays for May were Mrs. Dewey Palmer and Mrs. Wakeley. Each received their club gift.

The lovely lunch was served by Mrs. Frank Serven who also furnished the May birthday cake, and Mrs. Visnaw.

Mrs. Barton Wakeley, Reporter.

IN MEMORIAM

In memory of Edgar J. Caid, who passed away one year ago today, May 28, 1952.

In memory of his sunny garden down pleasant paths I'll stray All along with happy thoughts of you and yesterday.

Our golden hours together, their happiness renew, And all my thoughts will be sweet dreams of yesterday and you.

His wife and children.

IN MEMORIAM

In memory of a great father and friend, Mr. Edgar Caid, who departed this life May 28, 1952.

"God has not promised skies always blue,
Flower strewn path ways
All our lives through
God has not promised
Sun without rain,
Joy without sorrow
Peace without pain."
But God has promised a guiding hand to all who understand.

L. N. League

Mrs. Pearl Mathews was hostess to the L. N. L. social party Wednesday evening. Mrs. Charles Keway was co-hostess.

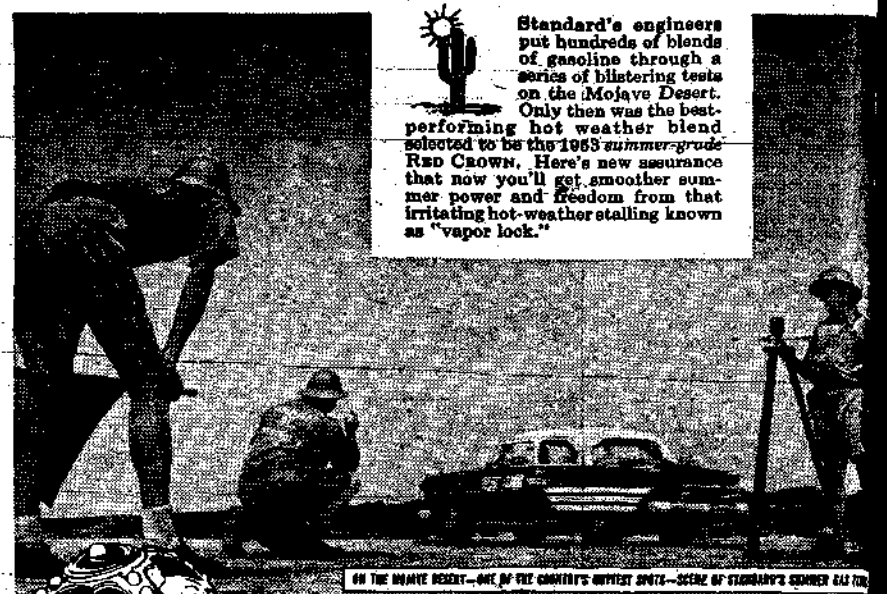

A good attendance with pinocle and bunco the past time.

Prizes for pinocle were won by Mrs. Edna Greenwell and Mrs. Ed Cooper, for high and low respectively. The high prize for bunco was given to Mrs. Bertha Williams and the consolation to Mrs. Louise Sherman.

The penny prize was awarded to Mr. Ed Chalker. The refreshment committee consisted of Mrs. Jun Taylor, Mrs. Frank Ven, Mrs. Dewey Palmer and Eureka Stephan served the lunch.

ATTENTION DOG OWNERS!

Many complaints are being received by city and county officers relative to dogs running at large, committing nuisances and destroying property. IF YOU VALUE YOUR DOG AND THE GOOD WILL OF YOUR NEIGHBOR, YOU SHOULD OBSERVE THE FOLLOWING: (from the State Dog Laws.)

1. All dogs over 4 months old must be licensed. Licenses can be obtained from the county treasurer and must be obtained on or before June 1st in each year. The license tag must be attached to the dog's collar. On and after June 15th of each year every unlicensed dog (over 4 months old) is declared by law to be a public nuisance and is subject to being killed by the sheriff or state police without notice.

2. Every dog shall at all times between sunset of each day and sunrise of the following day be confined upon the premises of its owner or custodian, except when such dog is otherwise under the reasonable control of some person.

3. Any dog may be ordered killed in any of the following cases:

- (a) Where a dog, licensed or unlicensed, has destroyed property or habitually trespasses in a damaging way on property of persons other than the owner.
- (b) Where a dog, licensed or unlicensed, has attacked or bitten a person.
- (c) Where any dog shows vicious habits and molests passersby when lawfully on a public highway.
- (d) Where any dog is running at large contrary to law.
- (e) Where any dog pursues, worries or wounds any livestock.
- (f) Where any dog chases deer.

In addition to the foregoing the owner of a dog may be held liable in damages for injuries caused by his dog.

The full co-operation of all dog owners in the entire county is needed. Officers do not want to kill dogs but they cannot ignore complaints where damage has been done and the law will protect them in the performance of their duty.

Sheriff Warns Youth

On Blasting Caps

Learn to know a blasting cap
and never touch one when you see
it, Sheriff John A. Papendick of
Crawford County warned chil-
dren and grown-ups today."You can't 'play' safe with a
blasting cap, be safe—don't touch
it," he said pointing out that sum-
mer is the time when boys and
girls face the greatest danger from
blasting caps."Blasting cap explosions that
hurt children last year increased
twelve and a half per cent in
summer months over those occur-
ing in fall and winter."That was because more caps are
always used in the months of open
weather to detonate explosions
that do essential construction,
mining, quarrying, and field clear-
ing jobs, he explained, and then,
too, "more boys and girls play
out doors where caps go astray,
get lost or stolen.""A child picking up a blasting
cap is in deadly danger," Sheriff
Papendick said, urging boys, girls,
or grown-ups untrained to handle
explosives, to report to the near-
est sheriff, deputy sheriff, or other
peace officer, the finding of a cap."Caps are bright, metal tubes,
about as big around as a pencil,
one and one-half to five inches
long," he said, "and they're made
of aluminum or copper. Ex-
posure to air and moisture, out-
doors can dull aluminum and
darken copper, but the sensitive
explosive inside is still dangerous
until detonated.""Some caps are open at one end.
Others are closed by a fuse in the
end. Electric blasting caps have
two wires coming from one end.
Boy Scout District Councils can
tell you how to arrange to have
blasting caps display boards shown
to groups of children, can see
what an unloaded but real cap
looks like."A 16-mm, 15-minute, sound-
color film, "Blasting Cap," for chil-
dren from five to sixteen and

State Rifle Matches

Here in June

The 44th Annual Michigan State
30 Caliber Rifle Tournament will
be held 6-7 June at Camp Grayling.
For the first time, Guardsmen fir-
ing in these matches will be cho-
sen for a team to represent the
Michigan National Guard in the
National Rifle Matches to be held
31 August-7 September at Camp
Perry, Ohio.This year, all National Guard
participants, regardless of rank,
will be authorized per diem for
expenses at \$5.00 per day on 6-7
June during the state matches at
Grayling.Match entry fees for individual
and team matches for Guardsmen
will be paid by the state. Messing
and sleeping facilities for Guards-
men will be arranged in advance
of the matches. Firing will begin
at 0800 on 6 June.The matches at Grayling are
sponsored by the Michigan Rifle
and Pistol Association, with the
cooperation of the Michigan Na-
tional Guard.This year's selection of a team
for the National Rifle Matches
will be considerably different than
in 1952, when a Michigan Nation-
al Guard team was chosen during
the first week of field training at
Camp Grayling and was firing for
record a week later in the Na-
tional Matches at Ft. Benning, Ga.This year the team will be
chosen 6-7 June and will not fire
in the National Rifle Matches un-
til 31 August.This will allow three months
for the National's team members
to "get the feel" of the weapons
they choose to fire at Camp Perry
and for practice at Camp Gray-
ling. Many competitors in the Na-
tional Matches practice fire for
even longer periods than three
months, often on the same ranges
where the matches are fired for
record.Last year, the Michigan Nation-
al Guard team placed fourth a-
mong the 15 Guard teams entered.

YOUR MILK...

Your dog is your best friend. He is faithful and
unselfish. Often he is mistreated, half-starved
and forced to lay on the cold ground. But he asks
nothing more than to be at his master's side.In the Swiss Alps, the St. Bernards dogs have
saved many lives. They pick up the scent of a lost
traveler and seek them out. The dogs have a first
aid kit attached to their collar. The contents, the
victim removes and uses, the dog returns to his
base and leads the monks to the rescue. The
monks take the victim back to their monastery and
give them shelter and care.The western sheep herder with a herd of three
thousand sheep would be helpless without his good
collie dog. In the Arctic regions the only means
of transportation is by dog team. In many parts
of the world, dog carts are used to deliver milk and
other goods. Cattlemen know the value of a cat-
tle dog. Dogs make excellent companions for chil-
dren and in case of accident, the dog's bark will
often bring help. Many blind people are assisted
by a dog for an escort.Milk will do what no other food can. Why not
